

# CLASSROOM ATTENDANCE 2022-2023

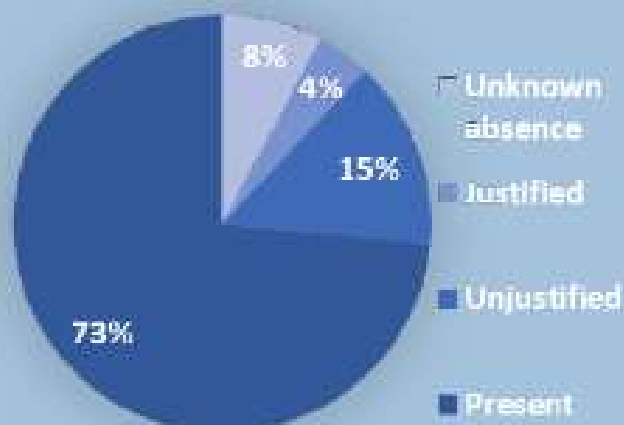

## 2022 Term 3

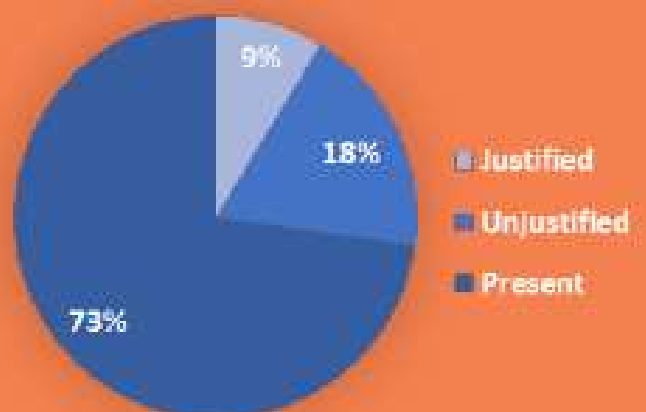

## 2022 Term 4

## 2023 Term 1

## 2023 Term 2

Term 3, 2022 was the first term back after Auckland's extended lockdowns. Transitioning akonga in after spending such significant time out of school took persistence and intensive planning. The lower attendance rates in Term 3 and 4 2022 reflect this.

On average, our rates of unjustified absence are around 10%, with the exception of Term 2 2023 (18%).

Overall, this is a great achievement for our cohort when considering the history of disrupted schooling disengagement from education of our cohort and being just after Auckland's lockdowns ended.
